Dr. Sanchez,

My apologies, I believe the file was too large to receive. Would you prefer to receive it via dropbox? The WoodHeaterReports@epa.gov email will be the one I will link.

Please let me know how to proceed.

Thank you,

Ashnil Reddy

Good Morning,

This email is 2 of 2 in regards to obtaining EPA approval for our recently certified Blaze King wood insert heater: The Princess PI29 Insert.

I've attached the following items for your review:

- OMNI Certification CBI Report

If you require any additional documents or have any questions, please do not hesitate to contact me.

Thank you,
